

WORKFORCE HOUSING
QUALITY LIVING, QUALITY WORK

OC Workforce Housing's goal is to provide quality, affordable, safe & secure housing options to the individuals that make up the workforce in Ocean City, Maryland during the busy summer season. We are a one-stop shop for all your housing needs and work directly with J1 Visa sponsor companies, local employers and individuals. We fully manage our property in house and handle the leases directly with the tenants.

The Phillips House property offers apartments with shared full kitchens and living rooms. The bedrooms within the apartments sleep 6 per room with each bedroom having its own full bathroom. We have 2 laundromats located on the 1st and 2nd floors as well as 3 lounge areas. The lease will run the length of the tenants work visa and or job offer dates.
