

Princess Royale Oceanfront Resort Completes \$20 Million Renovation, Enhancing Luxury in Ocean City

The Princess Royale Oceanfront Resort announced the completion of a comprehensive \$20 million renovation, ushering in a new level of luxury and comfort for guests on the Ocean City, Maryland, beachfront. The extensive transformation includes a complete redesign of all 333 suites, featuring spacious two-room suites with full kitchens, two- and three-bedroom apartment-size condominiums, oceanfront and jacuzzi suites, into tranquil, coastal-inspired havens.

The newly renovated accommodations showcase a contemporary aesthetic with a calming pastel color scheme that complements the resort's stunning oceanfront location. Every detail has been carefully considered to provide guests with a refreshing and relaxing seaside escape.

A key highlight of the renovation is the reimagined oceanfront restaurant, **The Current Oceanfront Cafe**. Featuring a stylish new tile sun deck, The Current offers guests panoramic ocean views and an inviting open-air dining experience. The seasonal menu, developed by the resort's Executive Chef, Brent Creeger, perfectly complements handcrafted cocktails and the soothing sounds of the ocean. Our **Royale Roasters Café** serves Starbucks coffee and hand-crafted drinks.

Further elevating the guest experience, the resort now features a state-of-the-art fitness center, completely upgraded four-story Atrium where the hotel's Olympic-size indoor pool and Tiki Bar are located that allow our guests to enjoy the beach life, rain or shine! We seamlessly blended modern amenities with sophisticated design throughout the hotel.

Ideally situated in the heart of Ocean City, the Princess Royale Oceanfront Resort remains a cherished beachfront retreat where travelers can unwind, rejuvenate, and create unforgettable memories.

About Princess Royale Oceanfront Resort:

The Princess royale Oceanfront Resort has been a Premier Destination in Ocean City for more than thirty-four years, offering guests luxurious all suite accommodations, exceptional amenities, and unparalleled ocean front access. Known for having Ocean City, Maryland's largest heated indoor Atrium covered pool open all year long, and the location of the full-service Creative Day Spa and Salon. The resort provides a memorable experience for families and couples. A spectacular setting for your **Beach Wedding** with more than 30,000 square feet of conference and exhibit space that will accommodate groups up to 850 people.
