

Becker Morgan Group Recognized in Metropolitan Magazine's Best of Eastern Shore Awards

Becker Morgan Group is proud to announce its recognition as Best Architecture Firm in Metropolitan Magazine's 2025 Best of the Eastern Shore Awards. Jack Mumford III, AIA, LEED AP, a Principal located in the firm's Salisbury corporate headquarters, was also recognized as Best Architect.

This annual awards program celebrates the businesses and professionals that exemplify excellence across Maryland's Eastern Shore, as selected by the readers of Metropolitan Magazine. The dual recognition reflects Becker Morgan Group's longstanding commitment to design excellence, client satisfaction, and community impact.

"The firm and I are deeply grateful to be recognized by the readers of Metropolitan Magazine," said Mumford. "This award is a reflection of the incredible clients we serve and the talented team I'm fortunate to work with every day."

About Becker Morgan Group

Established in 1983, Becker Morgan Group is a leader in architecture, engineering, surveying, land planning, and interior design in the Mid-Atlantic and Southeast regions of the United States. Learn more at www.beckermorgan.com.
